

2023 CABERNET FRANC NAPA VALLEY

THE VINTAGE

The 2023 vintage was one of the longest growing seasons that Napa Valley has experienced in a decade – and one of the finest. After several years of drought, the winter and spring months brought ample rainfall which replenished our vineyards’ soils. Cooler spring temperatures delayed budbreak and bloom, but the summer months were consistently warm and temperate without heat spikes. This confluence of excellent growing conditions allowed for slow phenolic development in the berries, retention of acidity, as well as remarkably ripe tannins by harvest time. The wines from this vintage are highly concentrated with incredible plushness and verve.

TASTING NOTES

Aromatics: Intricate and lifted, just-ripe cherry, raspberry crumble, baking spices, licorice, cut with pencil lead and graphite. Mouthfeel: Classic Muir-Hanna Cabernet Sauvignon profile – crunchy red fruits, well-balanced tension and viscosity, with sleek tannins and a lingering finish.

PAIRINGS

Mushroom risotto, plum-glazed duck breast, or your favorite cheese board.
